

**START PLYMOUTH**  
**Sunday May 11th 2008**

**Board on our passengers boats  
and enjoy the start in the event's heart !**

## Mer et Projets boardings

In partnership with OFFSHORE CHALLENGES EVENTS, The Artemis Transat organizer, MER ET PROJETS proposes fast passengers boats, to welcome and board your guests, and allow them to enjoy the race start in the best conditions.

Our boats, steered by competent and very experienced crew, are accredited by the organization. They fly the race flags, and are recognizable by the organization and security teams on the water course.

Our boats' capacities go from 85 to 130 persons, with respective length from 19 to 22,50m.
